

Funding Need-to-Know

The Graduate School's Funding Team's Brief Update and Your FAQs with Our Answers

The Road to GASP or MTART

Admit New Students

For Fall 2025: Admit by *March 15th, 2025* for consideration of funding.

NinerWorks - Set Up GAs

For those new students you admitted, set up GAs in NinerWorks by *April 1st*.

eGPS - Nominate for GASP/MTART

For the new students you admitted and set up GAs in NinerWorks, nominate them in eGPS by *April 1st*.

Grad School Communications

The Graduate School will inform students about their offers, and students have through *April 15th* to accept.

April 16th - Recycle Offers

On April 16th, you may rescind any awards that were not accepted, and offer funding to different new students.

Two Week Rule

Allow two weeks for students to accept/decline new offers. Recycle any that are not accepted after two weeks. The Grad School explains that in all offer emails.

June: Focus on Continuing Students

By *July 1st*, set up GAs in NinerWorks for all continuing students.

eGPS - Be Sure All Students are Nominated

By *July 1st*, nominate all students for GASP or MTART. The Grad School will set up funding in time for students to pay their bills.
